United Kingdom	7,317	7,244	7,617	8,330	8,335	8,296	8,532	8,900	8,397	8,899	8,751

### Notes

- Data presented for the West Midlands region; Derby, Leicester, Herefordshire, Nottingham, Shropshire and Stoke-on-Trent Unitary Authority; Worcester local authority.
- The latest available TB data are for 2012, therefore we included 2002 to 2012 data in order to provide 10 years of data
- Numbers smaller than 5 have been suppressed to avoid deductive disclosure
- Source: Enhanced Tuberculosis Surveillance (ETS) and Enhanced Surveillance of Mycobacterial Infections (ESMI)
- Data as at July 2013
- Prepared by: TB Section, Centre for Infectious Disease Surveillance and Control, Public Health England
