Dear Sir

Request under the Freedom of Information Act 2000

Thank you for your request made under the Freedom of Information Act 2000 relating to number of roadworks 2021-2022, which we received on 15th September 2022. I can confirm that North Northamptonshire Council holds the information requested. Please find our response below.

I would like to request the number of street works and road works carried out by both the council and third parties such as utility companies for the 2021/22 financial year.

North Northamptonshire Council (NNC) - 6325

Third Party - 9437

If possible, I would also like to know the cost to the council for the applicable works carried out.

Please be advised that we do not hold data on utility company costs and due to the high number of NNC works, we have been unable to provide a figure within the 18 hours for this FOI as we would have to go through every record (6325) to extract the costs. This is estimated to take 5-10mins per record.

You may re-use the information under the terms of an [Open Government Licence](#).

I trust the above is helpful. However, if you are dissatisfied with the way we have handled your enquiry or you are unhappy with the response provided, you have the right to request an internal review. You can do this by emailing datarequests@northnorthants.gov.uk Please quote your reference number.

Please note a request for an internal review should be submitted no later than 40 working days from the date of receipt of this response. The Council is not obliged to accept a request for an internal review beyond this timeframe. A full response to your request for a review will be provided within 20 working days.

North Northamptonshire Council

Information Governance Team
Sheerness House
41 Meadow Road
Kettering NN16 8TL
