Dear Mr Mauger

Internal Review

With reference to your letter dated 21 June regarding the County Council's response that we do not hold the information in relation to the following

Number of students with an EHCP who have interventions out of class at a particular school.

Original request

.i. The number of students at Prospect School, Freeley Road, Havant, PO9 4AQ who have 1:1 sessions out of class written into their EHCP. Please include all interventions such as teaching, counselling, QT, SALT, 'time-out' etc. (I don't require this to be itemised in any way, for students' confidentiality). ii. The number of hours per week this equates to in total.

2. The number of students at Prospect School who have griup sessions out of class written into their EHCP. Please include all interventions such as SALT, social groups, teaching etc. (I don't require this to be itemised in any way, for students' confidentiality).

ii. The number of hours per week this equates to in total.

iii. The number of groups this equates to per week.

I have now completed my internal review of the County Council's internal review process and found no reason to uphold your complaint regarding your request, the exemption was correctly applied. In coming to this decision I have taken into

Barbara Beardwell MA Solicitor

Head of Law & Governance & Monitoring Officer

John Coughlan CBE

Chief Executive

consideration the guidance provided by the Information Commissioner's Office. My reasons for not upholding is as follows, your request specially asked for students who have 1:1 sessions out of class written in their EHCP. There are no students who have out of class written against their interventions. I understand your son has a OPT intervention written into his EHCP but the term out of class is not included.

This concludes my Internal Review. If you are not content with the outcome of this review you have the right to apply directly to the Information Commissioner's Office contact details can be found on their website <https://ico.org.uk/> This will also direct you to the Freedom Information page, which provides advice to the public on Freedom of Information requests.

Yours sincerely
