

Derby City Council – Environmental Information Response
Number 12615
Date: 28/03/2019

1) How many Tree Preservation Orders have the council served that are still valid (i.e. excluding those that have been revoked). If establishing the number that has been revoked is problematic please let me know how many have been served.	557 TPOs have been served.
2) If you have a spreadsheet listing the TPOs please provide it.	Information not held
3) How old is the oldest TPO that is still valid (i.e. which year was it served in).	63 years old Served 6th January 1956.

Please note, the following applies, if the response includes council officers (or other officers) names.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
