Dear Stephen,

Reference: 24225 FOI

Thank you for your request for information received on 03 October 2024. This request has been handled under the Freedom of Information Act 2000

Your request

I'd like to know the number of warning letters and penalty charge notices issued to drivers due to them driving through the filters for the low traffic neighbourhoods of Cowley and East Oxford, since installation of ANPR cameras.

This includes the following ANPR locations, but I would also like to know the number of warning letters and penalty charge notices issued in relation to the filters that do not have ANPR installed:

- 1) Littlehay Road
- 2) Crescent Road
- 3) Littlemore Road
- 4) Divinity Road
- 5) Magdalen Road
- 6) James Street

Please provide this as a weekly breakdown for each location.

Our response

Please see data below for warning notices and penalty charge notices issued. Our report data is that the letters were printed and posted within that week, but the contravention may not have necessary occurred that same week.
