Dear Mr Archer

**Freedom of Information Act 2000 – Request for information**

Thank you for your email of 25 February 2012. You requested information about GPs from West Yorkshire who were erased for disciplinary reasons from the Medical Register in 2010 or 2011.

We have now carried out a search of our records and have identified one GP who falls within the scope of your request. I attach the minutes from the doctor's Fitness to Practise Panel hearing for you to consider. I hope that this information is useful to you.

If you have any concerns regarding the handling of your FOIA request please contact Julian Graves, Information Access Manager, at the address provided above or email

Yours sincerely
