

2. provide the numbers of children within your area that have a EHCP in place within your area for the years 2015, 2016, 2017 preferably broken down by month

	2015	2016	2017
January	3373	3860	4455
February	3418	3895	4470
March	3423	3938	4511
April	3457	3968	4514
May	3489	4033	4561
June	3524	4132	4618
July	3597	4229	4665
August	3656	4304	4648
September	3681	4348	4698
October	3726	4364	4743
November	3759	4406	4797
December	3804	4448	4835

3. provide the numbers of children within your area that have a SEND in place for the years 2015, 2016, and 2017 preferably broken down by month

We are unable to provide the answer to question 3 on a monthly basis but have referred to the termly school census return where the figures as follows :

	2015	2016	2017
Spring Census	12723	14883	14749
Summer Census	13404	14961	15114
Autumn Census	12059	14143	14381

4. provide the numbers of children within your area that have BOTH a SEND and a EHCP in place for the years 2015, 2016, and 2017 preferably broken down by month

Because we have been unable to provide the answer to question 3 on a monthly basis we have added together the average figures from question 2 and 3 as follows :

	2015	2016	2017
Average	16305	18822	19374

5. provide the numbers of EHCP applications received for the years 2015, 2016, and 2017 preferably broken down by month, and if you could show how many were granted for each period that would be very useful and much appreciated

	2015		2016		2017	
	Applications Received	Applications Granted	Applications Received	Applications Granted	Applications Received	Applications Granted
January	23	10	65	20	78	27
February	34	12	59	37	61	26
March	52	23	45	32	76	32
April	29	16	36	33	49	30
May	52	21	114	24	73	34
June	39	59	67	36	76	39
July	66	32	84	51	109	37
August	10	20	18	63	6	52
September	29	28	81	20	69	15
October	38	10	46	17	58	17
November	39	18	71	32	61	29
December	49	17	57	26	71	33
