

I wish to object strongly to the proposed sale of the land at the corner of Upton bypass and Arrowe Park Road adjacent to the old Fire Station, to Lidl.

There is already a huge amount of traffic near the roundabout, some of it to and from the large Sainsburys supermarket/Argos/Homebase. Another supermarket there is unnecessary, especially as there is also a large Asda in Woodchurch and an excellent small "One Stop" groceries store that end of Upton.

As well as the environmental considerations, the life of Upton Village would be seriously threatened by yet another supermarket nearby. Traders and residents have been working so hard to improve the village and make it an attractive community area in which to shop and socialise.

Please consider all the weighty objections that have been voiced since local people were made aware of the proposals and leave that area as a small green space.
