Notes	Apply Year	Figures are grouped by UCAS application year. The 2020 application year ran from applications opening in September 2019 to Confirmation in August 2020.
	Application Identifier	Applicant information has been anonymized, with each applicant assigned a dummy application identifier.
	Domicile	Domicile information is based on the Area of Permanent Residence declared by applicants at UCAS.
	College Changes	Please note that some applicants move between Colleges throughout the admissions round. College changes are reflected in the data supplied.
	Course Changes	Please note that some applicants move between courses throughout the admissions round. Course changes are reflected in the data supplied.
	Unconditional Offers	Unconditional offer figures include applicants who are post-qualified with both A Level and non-A Level qualifications. Unconditional offers have not been issued to applicants who have yet to complete their qualifications.
	Acceptances	The figures included reflect the number of accepted applicants i.e. applicants who have no outstanding offer conditions and have accepted Cambridge as their Firm choice institution via UCAS. Subsequent withdrawals are not taken into account and so these figures may differ slightly from actual entrant numbers.
