- They are also not surprised and recognise the operational leading. Concern that we are cutting out of the UK for others to capitalise on. Concern for the places that struggle for access and if this will cause harm. Would like some more information on timing, in terms of the NSTD too.
- KK outlined the consultation period, 8 weeks. We will focus on the timing. Stressed the importance of the NSTD landing at the right time with this to maintain momentum.
- KK gave thanks, wants to have more conversation in the new year regarding EWP and announcement.
