FOI: 48810
26 June 2018

Dear Mr Rahman,

Thank you for your e-mail of 28 May, which has been handled as a request for information under the Freedom of Information Act 2000 (FOIA) (the Act). You requested that we publish the reports, informant files, microfiche, GR, DPS files, CPS case files regarding Operation Beregon, which has been reported to exist in a media outlet.

Your request for information has been considered in line with our obligations under the Freedom of Information (FOI) Act. We have carried out a thorough search and we have established that the Home Office only holds a reference to Operation Beregon in a research document "From Mafia to Organised Crime. A Comparative Analysis of Policing Models" by Anna Sergi. This is not a Home Office document, but a link to it is available at <https://www.palgrave.com/gb/book/9783319535678>.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to FOIRequests@homeoffice.gsi.gov.uk, quoting reference **48810**. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request will be reassessed by staff who were not involved in providing you with this response. If you remain dissatisfied after this internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

Yours sincerely

Freedom of Information
