Dear Ms Lorimer,

**Re: FREEDOM OF INFORMATION REQUEST NO. 32161**

Further to your request under the Freedom of Information Act 2000 dated 21<sup>st</sup> February 2013, I can confirm that the Trust holds the information requested which is disclosed below. The text of your request is repeated in *italics*, followed by our response:

*Please could I have a structure chart with the manager's names if that is possible.*

Please find enclosed the Essentia Technology organisational charts. It is not possible to provide the names of our staff as it is personal data. We are therefore engaging the absolute exemption found in Section 40 of the Freedom of Information Act 2000 which relates to personal data.

*Please could I also have the cost breakdown of your recruitment spend in your IM&T / ICT departments during 2011/ 2012. I'm particularly interested in the breakdown in terms of cost into Temporary VS. Permanent Staffing for a Market Survey.*

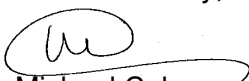

For the financial year 2011/2012 Essentia Technology spent £7,040,701 on permanent staff and £3,702,101 on temporary staff.

I trust that this information fulfils your request. However, do let me know if you require further details or clarification. You can find out more about the Act and other information resources released by the Trust on our website at: [www.guysandstthomas.nhs.uk](http://www.guysandstthomas.nhs.uk).

If you are dissatisfied with the Trust's response then in the first instance you can appeal to the Trust. For contact details and a copy of our FOI appeal policy, please see our website or email us at [foi@gstt.nhs.uk](mailto:foi@gstt.nhs.uk).

If you remain dissatisfied, you have the right under section 50 of the Act to apply to the Information Commissioner to seek resolution to the matter. Further details can be found on their website: <http://www.informationcommissioner.gov.uk/>.

Yours sincerely,

Michael Coleman  
Information Governance Agent
