**Dear Mr Yenkey**

**RE: Freedom of Information (FOI) request – Organisational Structure chart for Psychiatry**

We refer to your Freedom of Information request which was received by the Western Health and Social Care Trust on 20<sup>th</sup> September 2016.

You asked for “... ***an up to date Organisational Structure chart for Psychiatry including all manager names, contact details and job titles.***”

It is noted that we have received a number of similar requests (same wording) for other organisational structures from yourself and other applicants.

In response to this request we would advise that the Trust does not hold a separate organisational structure for Psychiatry Services as such services will be provided across a number of Trust directorates / sub-directorates. Other structures will include Psychiatry Services and these will be made available to you in response to other FOI requests which you have submitted to the Trust.

In addition, on our Trust website ([www.westerntrust.hscni.net](http://www.westerntrust.hscni.net)) you will also find information regarding the various services provided by the Trust including relevant contact details. You can find this under ‘Our Services’ (‘Services A – Z’).

Here you will also find a high level Organisational Structure for the Trust as well as more detailed structures for each Directorate. The names, job titles and telephone numbers are included for the staff members. You can find this under ‘Corporate Information’ (‘Our Structure’ and ‘Who’s Who’).

Please contact us at the below address if you have any further queries.

Yours sincerely
