Dear Sir / Madam

Following your request under the provisions of the Freedom of Information Act 2000 (FOIA), this is to inform you that this Council does not hold any information relating to Organisational Structure Chart for all of the Head of Educational psychology Department as this is a County Council function and South Bucks is a District Council. The requested information is exempt under Section 21 of the Freedom of Information Act 2000 (FOIA) because the information is reasonably accessible elsewhere in the public domain. You will need therefore to re-direct your request to Buckinghamshire County Council. The contact details can be accessed on their website at www.buckscc.gov.uk.

We hope this answers your questions, but if not, you can contact us (details below) with your query quoting the FOI number at the top of this page. You can also seek an internal review of your request if you remain unhappy with the outcome. Ultimately you can complain to the Information Commissioner should you remain dissatisfied, having exhausted the authority's internal review procedures. If you would like more information about the role and work of the Information Commissioner go to the website www.ico.gov.uk.

Yours faithfully
