Dear Ms Lansley,

**Re: Request for an Internal Review: 0443FOI1819BC**

Thank you for your email dated 25th January 2019, requesting NHS Bradford City CCG to conduct an Internal Review on the CCG's response to your Freedom of Information request referred to above. I have notified NHS Bradford City CCG of your request.

The CCG is sorry to hear you are not satisfied with the response provided. The review will shortly be conducted by someone not originally involved in providing the original response.

Please note that the Information Commissioner's Office (ICO) recommends that Internal Reviews are carried out in a similar timescale to the 20 working days imposed by the Freedom of Information Act 2000 on the initial response. However, the Act itself does not require that internal reviews are conducted within this time frame and in some circumstances the ICO accepts that it may take longer than this.

Nonetheless the CCG aims to complete its internal review and respond to you within 20 working days from receipt of your request for a review.

Please rest assured that I will inform you if the CCG encounters any delays over and above the internal target date of 22nd February 2019.

Yours sincerely

Ian Oultram.
