1. How many children are supported by the Out of School Tuition team?
2. How many of those children receive at lease part of that support in their own home?
3. In what other kinds of locations other than the child's own home does the OOST team provide an education for children?
4. I understand that the Out of School Tuition Team is subject to an annual quality assurance process by the LA and regular performance review.

Please provide details these processes and the most recent reports produced showing the findings.

Since we sent request for clarification on this request further requests have been received from yourself without reasonable time intervals elapsing. We have therefore treated all five requests received at the beginning of April as one request. Providing a response would take in excess of 18 hours when aggregated with time spent on those requests, where a response has already been issued. Therefore, your request is exempt under s12 of the Freedom of Information Act 2000, whereby a public authority does not have to comply with a request for information if the cost of compliance exceeds £450. Staff time spent processing requests is rated at £25 per hour in line with guidance from the ICO.
