Dear Mariyam Khan

Thank you for your enquiry.

Following your subsequent email, I understand you are entering in the November 2019 exam series. I have copied the previous information sent below:

You have requested clarification on our Outstanding Cambridge Learner Awards in the November 2018 series in Pakistan. The Outstanding Cambridge Learner Awards recognise learners' performance for examination results achieved during the main examination series for the country. For Pakistan, the main examination series is the June series as entries in the November series are predominantly made for re-sit examinations; therefore we do not offer Awards for the November series.

However, I can confirm that Award winners for the June 2019 series, in Pakistan, are released to schools at the end of November 2019. You can find more information on our Outstanding Cambridge Learner Awards [here](#).

To clarify, our Outstanding Cambridge Learner Awards are not awarded in the November exam series for Pakistan, including the 2019 November exam series. This is the case regardless of whether candidates enter for the first time, or as a re-sit entry.

I also wish to add that, in your email, the subject line includes 'Internal review of Freedom of Information request - Outstanding Cambridge Learner Awards in Pakistan'. Please note that you can only request an internal review by sending your query to John Harris using the details below:

If you are dissatisfied with the handling of your request, you can ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original request and should be addressed to:
