It's time to set up your next TV Licence.

Dear <Name>,

As you may know, free TV Licences for all over 75s in the UK, funded by the Government, came to an end this year. From 1st August 2020, anyone aged 75 or over who is not in receipt of Pension Credit (a benefit available to pensioners on low incomes) needs to pay for their TV Licence.

Due to the challenges to the UK caused by the coronavirus (COVID-19), the BBC decided to wait until now before asking you to make arrangements for your next licence – and we're making it as easy as possible for you to do this from home.

It's now time to apply for your free licence if you are receiving Pension Credit, OR to tell us how you want to pay for your licence if you now need to. This letter explains how, and also lets you know what to do if you no longer need a licence.

Receiving Pension Credit? Please apply for your next free licence.

To apply for your next free licence please see the enclosed booklet or **Form C – Apply for a free TV Licence**, which explains what you'll need to send us. If you've already done this, you won't need to contact us again.

Need to buy a licence? Please choose your way to pay.

If you'd prefer to pay in one go, the cost of a colour licence is £157.50. Please see **Form A**.

If you'd rather spread the cost of your licence, we can arrange monthly, fortnightly or weekly payments. You won't be charged any extra to spread the cost in this way. Please see **Form B**.

OR

Please see Form B

We've also enclosed a booklet, which gives you information about what happens next.

Your new licence covers you from 1st August 2020 to 31st July 2021. For this licence only, if you are spreading the cost then your payments will be spread over a shorter period. The exact amount of each payment will depend on when you respond and how long it takes us to set up your payment plan. For example, payments starting in November 2020 would work out around £17.50 a month, £8 a fortnight, or £4 a week until July 2021. We'll write to you before we take any payments, to let you know what each amount will be. Your payments will always add up to the licence fee.

Please respond soon, to avoid your licence being cancelled.

You are currently covered by a TV Licence. However, if we haven't heard from you within two months of receiving this letter, your licence will be cancelled automatically without charge. It's a legal requirement to be covered by a TV Licence if you watch or record live TV programmes on any channel or device, or download or watch BBC programmes on iPlayer. If we cancel your licence this will mean you won't be licensed to do these things.

If you contact us after your licence has been cancelled to tell us that you do need one, we would issue a new licence backdated to 1st August 2020. You would then need to pay the full licence fee over the duration of the new licence.

If you no longer need a TV Licence, please let us know.

If you never watch or record live TV programmes on any channel or device, and never download or watch BBC programmes on iPlayer, please let us know that you don't need a licence by calling **0300 790 6151***. We can then cancel your over 75 TV Licence. Remember, it's a legal requirement to be covered by a licence if you need one.

Your safety is important to us.

We recognise it may not be possible for you to leave your home at the moment. So we've included an information sheet – 'How you can set up your next licence safely' – which explains all the ways you can respond, to help you find the way that you're most comfortable with.

The enclosed booklet has answers to some of the questions you may have. And for the latest updates, please visit **tvlicensing.co.uk/75**

Yours sincerely,

Alison Roberts
Customer Service Director, TV Licensing

TV Licence terms and conditions

A TV Licence lets you use and install TV receiving equipment at the licensed place. You are covered to:

- a) watch and record programmes as they're being shown on TV or live on an online TV service, including programmes streamed over the internet and satellite programmes from outside the UK, and
- b) watch and download BBC programmes on demand, including catch up TV, on BBC iPlayer.

This can be on any device, including TVs, desktop computers, laptops, mobile phones, tablets, games consoles, digital boxes, DVD, Blu-ray and VHS recorders, or anything else.

You and anyone who normally lives here with you can:

- Use and install TV receiving equipment here at the licensed place.
- Use and install TV receiving equipment in vehicles, boats and caravans (except non-touring caravans when someone is watching or recording TV at the licensed place).
- Use TV receiving equipment anywhere on any device powered solely by its own internal batteries.

You and anyone who normally works here with you can:

- Use and install TV receiving equipment here at the licensed place.
- Use and install TV receiving equipment in vehicles, boats or caravans used for business purposes.

This licence does not cover areas occupied solely by tenants, lodgers or paying guests. The licence might also not cover areas that are self-contained, areas covered by separate legal arrangements or areas of business premises used for a different purpose. Please contact us to find out more.

Other conditions. We can cancel or change your licence. If we cancel it, we will let you know. If we change the licence conditions, we will publish a general notice on the BBC website and, if we consider it appropriate, in other national media. Our Officers may visit to check our records and inspect your TV receiving equipment. You don't have to let them in. Your TV receiving equipment must not cause unreasonable interference to radio or TV reception.

Even if you have a black and white TV, you need a colour licence to record any live TV or download BBC programmes on iPlayer. Please contact us to find out more.

The new arrangements for over 75 TV Licences

As you may know, free TV Licences for all over 75s in the UK, funded by the Government, came to an end this year. Now, anyone aged 75 or over receiving Pension Credit is eligible for a free TV Licence, paid for by the BBC.

We've put together this booklet to help you set up your next licence.

Applying for a free TV Licence

The application process for a free licence is open now. Please see pages 3 and 4 of this booklet and **Form C**.

Paying for your TV Licence

If you are not receiving Pension Credit, you will need to pay for your next TV Licence. If you'd prefer to pay in one go, please see **Form A** and page 5 of this booklet. To spread the cost with the 75+ Plan (with no additional charge), please see **Form B**. Page 6 of this booklet explains what will happen next.

What you'll need to apply

To be eligible for a free TV Licence you need to be receiving Pension Credit – a benefit available to pensioners on low incomes. Pension Credit is separate from the state pension and it is the only benefit that will enable you to apply for a free licence.

To apply for a free licence, you'll need to provide a copy of **one page** from a document that shows you (or your partner) are receiving Pension Credit. We don't need to see the actual amount you are receiving, but your document must:

- show your full name or your partner's name
- include your home address
- be dated within the last 12 months.

This could be a copy of the front page of a letter you've received from the Department for Work and Pensions or the Pension Service. Or, in Northern Ireland, the Department for Communities or the Northern Ireland Pension Centre.

Please do not send us more than one page.

Please don't contact us to apply for a free licence until you have a document that confirms you're receiving Pension Credit.

How to apply

By post:

1. Make a photocopy of **one page** of a document that confirms Pension Credit is being received at your address. **Please do not send us originals.**
2. Complete Form C, enclosed.
3. Return the form, together with your photocopied page, in the pre-paid envelope provided.

From home:

If you are unable to respond by post, please go to **tvlic.co.uk/75apply** or call us on **0300 790 6151**.

What happens next

Once we have processed your application we will send you your new TV Licence.

We will only contact you in the meantime if we have a query about your application.

FORM A – Pay in one go

If you need to pay for your next TV Licence, you might prefer to pay the full licence fee in one single payment.

Once we've received your payment, we will send you your new TV Licence.

FORM B – Spread the cost

The 75+ Plan allows you to spread the cost of your licence (with no additional charge) in equal monthly, fortnightly or weekly instalments. It is only available to people who are aged 75 or over, and were previously covered by a free TV Licence.

What happens next:

Monthly Direct Debit

Once your Direct Debit has been set up, we'll send you your new payment plan and TV Licence.

Once you have your 75+ Plan card, it can be used to pay over the phone, with a credit card or debit card. Or you can take it to pay at any PayPoint store with cash or a debit card.

50% blind concession

If you are blind (severely sight impaired), you may be eligible to receive a 50% concession on your licence fee. A blind concession colour licence costs £78.75.

To apply, **put a cross in the box on Form A if you're intending to pay in one go, or Form B if you wish to spread the cost.**

When you return your form, enclose a photocopy of **one** of the following:

- CVI (Certificate of Visual Impairment)
- BD8 Certificate
- A certificate or document issued by a Local Authority that shows you are registered as blind (severely sight impaired)
- Certificate from an Ophthalmologist (eye surgeon), stating that you are blind (severely sight impaired).

When you renew your licence next time, you won't need to provide this information to us again.

Please note, if you've told us in the past that you are registered blind, and we have indicated in the letter and forms that the blind concession has been applied, you don't need to send us document copies again.

The Direct Debit Guarantee

If you choose to pay by Direct Debit, your payments are protected by the Direct Debit Guarantee.

- This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit, TV Licensing will notify you ten working days in advance of your account being debited or as otherwise agreed. If you request TV Licensing to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your Direct Debit by TV Licensing or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society.
- If you receive a refund you are not entitled to, you must pay it back when TV Licensing asks you to.
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.
