11<sup>th</sup> March 2019

Dear Tracey Hoy,

**Request under the Environmental Information Regulations 2004 ("EIR")**

Thank you for your email dated 8<sup>th</sup> March 2019 requesting information via our EIR requests email address.

**Information requested**

Dear National Grid plc,

Can you please confirm if an inspection has been completed and the conditions met for residents to live approx 15ft under pylon cables in WD6 5JL area.

We have been advised that a condition has been met for workers to be under these cables & pylon but was also advised that an investigation had to be completed as the planning application shows residents living (very dangerously) directly under these lines.

If an investigation has been completed can I have the outcome and a copy of the report.

Yours faithfully,  
T Hoy

We have checked our records and can confirm the asset in question does not belong to National Grid. We, therefore, do not hold information relating to the asset, including the report you have requested.
