Dear Mr. Fryer,

Re: Decision Notice under Section 17 of the Freedom of Information Act 2000

Thank you for your recent request for information under the Freedom of Information Act.

Duty to confirm or deny

I can confirm that the information requested is not held by the Trust.

Response to the information requested

What number of Buccolam syringes were administered to paediatric patients for the purposes of sedation pre procedures over the last 12 months of data you hold (please provide details of what this date range is).

What number of Buccolam syringes were administered to paediatric patients for the purposes of treating epilepsy over the last 12 months of data you hold (please provide details of what this date range is).

If a specific purpose is not discernible please could I request the number of syringes administered to all paediatric patients. If the number of syringes is not possible but the number of paediatric patients that received Buccolam is, then again this information would also be gratefully received.

Your request is not applicable to Nottinghamshire Healthcare NHS Foundation Trust as we do not provide services for Paediatric patients that would require Buccolam syringes.

Exemption(s) which apply

- **None**

As part of our monitoring process to ensure that we continue to meet your requirements, we would be grateful if you could please take a few moments to complete the survey at <https://www.nottinghamshirehealthcare.nhs.uk/freedom-of-information-request-form> and return it by email to: foi@nottshc.nhs.uk
