Dear Roger

Freedom of Information Request

Thank you for your email dated 17th October 2012 requesting:

Please provide a copy of the recently-negotiated and reported parking enforcement contract between the Foundation Trust and contractors Liberty Parking Services. I understand that it relates to parking at the Northern General, the Royal Hallamshire, Weston Park hospitals and the Charles Clifford and Jessop Wing.

Please note that this company has a contract for similar enforcement activities at Bristol University and that, initially that University declined to respond to a Freedom of Information Request similar to this but they eventually did so. See

http://www.whatdotheyknow.com/request/contract_between_uob_and_liberty#incoming-49981

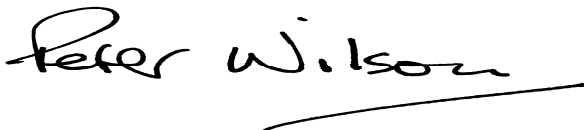

I hope that the Foundation Trust will not engage in time wasting and associated expense by resisting this request in the same way that Bristol University initially did.

We are treating the request under Section 1.1 of the Act.

Under the Act we have 20 working days to respond to your request from the day after we received your email into the Trust and we will respond by 14th November 2012.

In the meantime if you have any queries then please contact me at the above address.

Yours sincerely

Peter Wilson
Information Governance, Caldicott & SIRO Support Manager
