Dear Andy Soames

**Freedom of Information Request ref FOI183**

We write in connection with your request for information which was received by Northern Trains on 14/12/2021:

“Dear Northern Trains Limited,

I am requesting details of your daily passenger journeys, for week commencing Sunday 14 November 2021, compared with the same week in 2019 (week commencing 10 November 2019).

The intent is for the data to be comparable with the DfT's national data. As these will then be expressed as percentages I'm not concerned by any double counting that may creep in as a result of LENNON 'journeys' potentially including legs with multiple operators.”

Under section 1(1)(a) of the FOI Act we can confirm that we hold this information and this is displayed in the table below.

Week	Week Commencing	Current Year	2019	Recovery
Week 34	14/11/2021	1,565,881	2,015,983	78%

Please note that these figures reflect the total number of journeys rather than the number of passengers as we do not have passenger count data covering our entire network.

We hope this information is of use to you.

Yours faithfully

**Freedom of Information, Northern Trains Ltd**
