In relation to the Council's current pay by phone parking provider, can you tell me:

What is the contract expiry date for your pay by phone parking provider, including any extension periods?

***The contract expiry date, including any extensions is 09 March 2023***

What is the current notice period required in order for the Council to exit this contract?

***The contract is a framework agreement so there are various dates (for example we have immediate right to terminate in the event of bankruptcy, and also in case of default) – however, there is no clause that allows us to simply exit if we want to by giving notice (there would have to be a failing on their part somewhere).***
