Dear Mr Jackson

**Re: Internal Review of FOI 9570**

An Internal Review has been undertaken in relation to your request for information regarding payments Wrexham Council have made over £500 is complete.

The review is satisfied that your request does exceed the costs threshold as per Section 12 of the Freedom of Information Act.

However, in consideration of Section 16 (1) of the Act, it is my determination that the advice provided to you was too vague and should have offered you guidance on how to focus your request in order to meet the criteria.

Therefore, the department have been instructed to contact you to offer assistance in specifying your request by informing you of the types of information available within the requested category. This will be done within the next 5 working days.

If you are not content with the outcome, you have a right to take the issue to the Information Commissioner (ICO), who investigates complaints on information access. The Information Commissioner can be contacted at:

Information Commissioner's Office
