

Freedom of Information request 438-18

I request disclosure of the numbers of Police Community Support Officer(s), hereafter referred to as PCSO, who have been injured on duty within the force during the time period 1st April 2015 to 30th September 2017.

This should be sourced from the appropriate Injury on Duty form(s) used in Force. The data required for each instance is as follows:

Date, type of incident, injury sustained, and outcome.

By outcome I mean whether they returned to active service, were medically retired, or other. If no data is available, then this field may be left blank.
