15 July 2019

Dear Mr Douglas

Thank you for your email of 4 July in which you requested the following documents:

- *Army Field Manual War Fighting Tactics Part 5a: Armoured and Armoured Infantry Sub Unit Tactics*
- *The Health Service Support Handbook*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

The Ministry of Defence requires further information in order to determine whether it holds any information within the scope of your request. To that end, an initial trawl for a document titled 'Health Service Support Handbook' has been unsuccessful. Do you have any more information about the document, such as a full title, that might assist us in completing our searches? Once you have clarified your request, I will be pleased to consider it again.

Please remember to quote the reference number above in any future communications.

Yours sincerely,

Army Secretariat
