Dear Mr Shaw,

Your request was received on 23 February 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*This Freedom of Information request concerns the Cambridge undergraduate students and past undergraduate students that have taken the European Baccalaureate. I would like to know:*

- 1. How many European Baccalaureate students applied, how many were shortlisted for an interview and how many got an offer in the admissions cycles of 2016-2019 inclusive, compared with the same values for all students, for home (UK) students and EU students.*
- 2. In the same admissions cycles, a list of the courses that the European Baccalaureate students applied for, with their predicted grades for each student and, for those that got a conditional offer, the requirements.*
- 3. In the same admissions cycles, a list of what colleges the students applied to, whether they got an offer (yes/no), whether they were pooled (yes/no) and by what college they were chosen from the pool.*
- 4. The achieved European Baccalaureate scores for the students that successfully received an offer from the University of Cambridge and accepted their offer, in the same cycles.*

The requested information, insofar as it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act. We also do not hold achieved grades as these are held by the individual Colleges.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.
