Manchester Minimum Wage

A revised Manchester Minimum Wage Agreement is effective from 1st April 2015. This provides a stand-alone, non-consolidated payment to Grade 1 incremental points SCP 6 & 7 and Grade 2 incremental points 8, 9 and 10 which is added to the Annual (NJC) salary to produce the Manchester Minimum Wage hourly rate.

Note: A non consolidated payment is a one off, stand alone payment made to employees that does not form part of the employee's basic salary.

These non-consolidated payments are marked with a * above, and highlighted in green shading. The revised SCP 7 constitutes the Manchester Minimum Wage for fully-fledged Manchester employees.
