Dear Mr Taylor

### Information Request – Strathbraan Licence

Thank you for your information request, which we received on 23 April. We have considered your request under the Environmental Information (Scotland) Regulations 2004 ('the EIRs').

### Your Request

"Please can you provide me with the content of all e-mails, phone calls and letters between SNH and other people / organisations relating to the decision to grant a licence to Strathbraan Community Collaboration for Waders (SCCW) to cull 300 Ravens in Perthshire over a 5 year period. Can you also provide the evidence the scientific evidence which led you to making this decision."

### Our Response

We have carried out a detailed search of the information we hold, and copies of all the relevant documents are available at: <https://www.nature.scot/strathbraan-licence-information-released>.

The information includes the licence application, the licence application assessment, the issued licence and all the relevant internal and external correspondence.

Some parts of the documents provided have been marked out (redacted). The reasons for this are:

- We have marked out (redacted) some parts of the documents where they contain personal data.

Releasing the personal data into the public domain in response to an access to information request would breach the Data Protection Act 1998. We are therefore withholding the information under EIRs Regulation 11(2) (Personal data).

- We have redacted some information that was provided to us voluntarily and in confidence. There are no other circumstances that entitle SNH to disclose this information, and the correspondent has not consented to its disclosure. Making the information publicly available would be likely to substantially prejudice the interests of the correspondent. We are therefore withholding the information under EIRs Regulation 10(5)(f) (Interests of the individual providing the information).

We have concluded that, in this case, the public interest in making the information available is outweighed by the public interest in withholding it and maintaining the confidence in which the information was provided.

- We have redacted a small amount of information in the documents that falls out-with the scope of your request.

### **How We Handled Your Request**

We believe you have asked for environmental information as defined in the Environmental Information (Scotland) Regulations 2004 ('the EIRs'), so we are dealing with your request under those regulations. To be able to use the EIRs, we must apply an exemption under section 39(2) of the Freedom of Information (Scotland) Act 2002 ('FOISA'). The Scottish Information Commissioner's guidance recommends that public authorities apply this exemption to environmental information and handle requests under the EIRs.

If you would like to find out more about the access to information legislation there is a guidance booklet available on the Scottish Information Commissioner's website:  
<http://www.itspublicknowledge.info/nmsruntime/saveasdialog.aspx?IID=5487&SID=5024>.
