Dear Mr Tubb

28 November 2018

FoI Request 16745

I am writing regarding your request for information, which I received on 26 November 2018. In that request, you asked us for

Copies of the insurance policies in respect of the Thameslink PPP project, complete with a breakdown of the costs and details of who the Insurers are.

Two insurance policies were taken out in relation to the new maintenance depots constructed at Three Bridges and Hornsey as part of the Thameslink Programme. It would be relatively easy to provide the names of the insurance providers and the values of the policies. However, if you wish to see the policies then consideration will need to be given to the detail and whether the information might be exempted under the terms of the Freedom of Information Act.

I will be unable to proceed with your request without clarification of the information you wish to receive. To help us do so, I would like to know whether it is the name of the insurer and the cost of the insurance you wish to receive information about or if it is the policies themselves.

Please note that if I do not receive appropriate clarification of your information requirements within three months from the date of this letter, then I will consider your request closed.

If you wish to discuss any of the above, please contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely

Treat as signed

Jonathan Daley
