Dear Sirs,

**Request for information under the Freedom of Information (Scotland) Act 2002**

Further to your recent enquiry under the Freedom of Information Act, received on 11 May 2020 please find our response below. In your request you asked for the following information:

Q1 I would like to request the below information:

A list of pharmaceutical products/drugs that your primary care organisation currently holds rebate agreements for.

I would like to request the product names (brand and generic when applicable) with start and finish dates and I fully understand that the financial details of the rebates would be considered commercially confidential.

**A1 Please find a register of primary care rebate scheme agreements attached. Note the standard NHS Scotland Patient Access Scheme (PAS) Agreement includes provision for primary care rebates against supplies made in primary care. A list of medicines with a Patient Access Scheme can be found on the SMC website: <https://www.scottishmedicines.org.uk/medicines-advice/>**
