Dear Oliver,

I am writing regarding your recent attached request for information under the Freedom of Information Act 2000.

I was wondering if I could please request details of payments made to pharmacies for locally commissioned NHS or private services, for example smoking cessation, emergency hormonal contraception, supervised consumption of medicines, & needle exchange services.

If you could kindly provide this in spreadsheet(s) format, with a breakdown by pharmacy (name and address), month, service, and payment, I would greatly appreciate it (if you also have the ODS code identifier for the pharmacy, then please kindly include this also). If possible, details of the most recent 12 months' worth of payments.

Please see attached spreadsheet in response to your Freedom of Information request.

I trust this answer satisfies your request. However, if you are dissatisfied with the way in which we have dealt with your request you can contact me at the following address:
