Desktop Printers

All Police Forces are mandated to use the Sprint ii framework which expires on 15/03/2014. We are able to contract for an additional 12 months, so our contract will run until 15/03/2015. As all IT hardware and software is mandated through Sprint ii, we do not have the spend breakdown for printers. The supply under this framework is SCC and it is a single supplier framework under Crown Commercial Services (previously Government Procurement Service)

Photocopiers/MFD's

Prior to the mandation of Sprint ii, we had our contract under the ESPO framework (Pro5 Group), with Konica Minolta for the supply of lease photocopiers. The current lease expires in May 2015. The annual cost for photocopiers is approximately £150K per annum.

Leicestershire Police provides you the right to ask for a re-examination of your request under its review procedure. Letters should be addressed to Information Manager, Professional Standards Department at the above address. If you decide to request such a review and having followed the Force's full process you are still dissatisfied, then you have the right to direct your comments to the Information Commissioner who will give it consideration.
