Dear Mr Stanson

**Re: Freedom of Information Act 2000**  
**Budget for Physical Activity or Exercise Promotion – 2015/16**

Thank you for your information request indicated in bold below, which has now been considered under the Freedom of Information Act 2000 by NHS South Cheshire Clinical Commissioning Group (CCG), and I am able to provide you with the following information and responses.

**You asked:**

- 1. Can you please provide me with the details of any funding attributed or budgeted for, within the current financial year, to be spent on physical activity or exercise promotion, including in cases where the CCG is funding joint-initiatives with other local partners.**

NHS South Cheshire CCG is not the responsible commissioner for exercise promotion services. However, in an attempt to assist you, you may wish to make your request to Cheshire East Council using the following link:

- 2. Can you also please provide a best estimate of the total current annual spend by the CCG for the current financial year?**

Please refer to the answer for question 1.

If you have any queries or concerns, wish to request a review of our response or are unhappy with the service you have received in relation to this Freedom of Information request, please do not hesitate to contact the Governance & Compliance team; details provided at the top of this letter.
