Dear Colleague,

**Stakeholder Summit – Physician Associate**

We are all more than aware of the current climate and issues regarding the landscape surrounding healthcare professionals including Physician Associates and Anaesthetic Associates.

In these challenging and uncertain times, without clear leadership and direction, there appears to be increasing numbers of conversations between a variety of groups, that may not be considering or representing the interests of all stakeholders. We feel that it is important to bring all main stakeholders together for a discussion with everyone present, to avoid ambiguity or supposition.

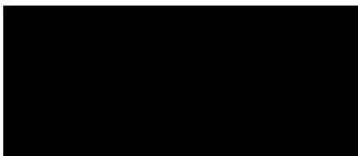

There are many areas for discussion including the Managed Voluntary Register (MVR), Scope of Practice, managing relationships and finding a positive mutually beneficial professional way forward.

To that end we would like to ask for your attendance at a stakeholder summit to be held in Central London on **Wednesday 26<sup>th</sup> June at 2.30PM.**

If you are unable to attend, we appreciate the timeline is short, we would be grateful if you could send an appropriate substitute.

We look forward to a productive, positive meeting.

Yours faithfully

**Professor Philip A Begg, BMedSci(Hons), MSc, MBA, PhD  
PASC Chair**
