Dear South Somerset District Council,

I would like to know how many Planning Applications have been made for temporary Dwellings for Agricultural Workers in the last 5 years.

How many have been succesful applications?

How many have failed and subsequently been approved when resubmitted?

How many have gone to Appeal?

What has been the average time of the Appeal?

How many have gone to Public Inquiry?

How many have subsequently been successful?

Have any never been permitted? If so, what were the reasons and what are the Reference Numbers?

Yours faithfully,

Rachel Clements
