

East Lothian Council

EIR Ref: 2020/687881

I would like to know the number and location of approved/pending/dissaproved planning applications that exist outside the designated areas / boundary for development, as defined by East Lothian Council's "Local Development Plan".

East Lothian Council (ELC) does not record this information although it is possible that some reference may be made in a planning application's Officers report*. In view of this, under Regulation 10(4)(a) of the Environmental Information (Scotland) Regulations 2004, I must formally advise you that ELC has been unable to comply with your request as the information you require is not held.

*Officers reports are published on the Planning portal of ELC's website. A link to the relevant page is provided for your convenience:

To assist with your request we have also provided a link to the Local Development Plan for your reference:
