Mr Hyland

I would advise that the Council cannot extract the information you require over a radius from a point.

I would advise that you may wish to reconsider the information requested and consider a request referring to specific street names or post codes as an alternative. You would have to provide a list of the street names or postcodes you require.

Kind regards

Mr Hyland

I confirm receipt of your FOI request dated 20 March 2018.

I can confirm that the Council holds the information you require, for within Lisburn & Castlereagh City Council boundary only. However, the Council do not hold the information in the format which allows the information to be extracted over a 2Km radius of the site in question. I would advise that you may wish to reconsider the information requested and consider a request referring to specific street names or post codes as an alternative.

I am therefore unable to provide a substantive response at this time.

If you have any questions in relation to this communication please do not hesitate to contact me.

Kind regards

Sally Courtney
