**Freedom of Information Request 576865**

Thank you for your recent request received 21 June 2019. Your request was actioned under the Freedom of Information Act 2000 in which you requested the following information –

*During the planning process do the Council have a statutory obligation to provide a location map/plan for consultees, and if so, what information must they contain?*

**Response:**

Liverpool City Council would advise that a location plan is provided by the Applicant as part of the application submission upon which the site area is marked in red. This is available to view on line for every application.
