### **Your Internal Review**

I write in regard to your e-mail dated 12<sup>th</sup> May 2009 in which you make a request for an internal review of the decision made by Ms Parker into your original FOI request.

I would like to apologise for the delay in responding to your review and hope this has not caused you any inconvenience.

You made a request for information relating to statistical information. Ms Parker sent you a decision notice on the 12<sup>th</sup> May 2009 in which she confirmed that the IPCC did not hold information in relation to questions 1, 3, 4, 5 and 7. Ms Parker also confirmed that the IPCC does hold information for questions 2 and 6.

I have considered Ms Parkers response to your request. I have decided that you have been provided with all the information held by the IPCC in regard to the information that you have requested. Your request for an internal review is therefore not upheld.

If you are unhappy with this decision you can now make a complaint to the information commissioner's office. His contact details are:
