

Dear Ms Wilmcote,

Gloucestershire Constabulary Freedom of Information request 2014.5915

On the 17/11/2014 you sent an email constituting a request under the Freedom of Information Act asking the following:

Under regulation 37 of the Police (Injury Benefit) Regulations 2006 a police pension authority has a power of discretion to conduct reviews of police injury pensions 'at such intervals as may be suitable.'

For the period of 1st January 2011 to 30th September 2014:

- 1) Please tell me how many reviews of police injury pensions were held by Gloucestershire Constabulary police pension authority.
- 2) Please tell me the collated results of all reviews held, in the form of data showing;
 - a) how many resulted in an increase in the injury pension due to be paid,
 - b) how many resulted in a decrease in the injury pension due to be paid,
 - c) how many resulted in no revision of the injury pension due to be paid.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire Constabulary holds no relevant information.

That is to say that the Constabulary has not reviewed any police injury pensions in the period stated.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

Yours sincerely,

Miss G Richards
Disclosure Officer
Gloucestershire Constabulary
