Dear Mr James,

Freedom of Information request reference 38351

Thank you for your e-mail of 1 February 2016, in which you ask for clarification of Home Office response to your previous request (ref: 36890) regarding police recruitment. You ask to know in what way do the medical standards for police recruitment of the College of Policing address psychological fitness or operational policy. Your request has been handled as a request for

information under the
Freedom of Information Act 2000.

In regard to psychological fitness, the medical standards for
police recruitment of the
College of Policing address this. We have already provided this
information in our
previous response.

In regard to how the medical standards for
police recruitment address operational
policy, we have established that the Home Office does not hold the
information
which you have requested.

Yours sincerely

Diversity**
