Thank you for your request for information which was received by the Northern Ireland Policing Board on 28 November 2023 and is being processed under the Freedom of Information Act 2000 (FOIA).

A final decision on your request should be processed within 20 working days of the date after receipt of your request. This means that you can expect to receive your decision by the 29 December 2023, although we will endeavour to process your request before this date if possible.

There are some limited situations under the FOIA (Act – s.10 and s.17) which could mean that the period for a final decision may be longer than the normal 20 working days allowed for the Board's response. Should this occur with your request, we will advise you as soon as possible, in writing and detail a timescale for reply.

If you have any questions or concerns about your request, your contact within the Board is Sam Hagen, Director of Resources who can be contacted via foi@nipolicingboard.org.uk. Please remember to quote the reference number above in any future related communications with the Board.
