Dear Mr Aits,

Your request was received on 29 July 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Please provide the statistics for the following:

- *By college, the number of post A-level UK applicants for Natural Sciences in 2016, 2017 and 2018*
- *By college, the number of offers made to post A-level UK applicants for Natural Sciences in 2016, 2017 and 2018 (i.e. offers sent to candidates in January of 2017, 2018 and 2019)*
 - *Of these offers made to post A-level UK applicants for Natural Sciences in 2016, 2017, 2018, the anonymised data of the applicants' A-level (or equivalent) and any pre-existing STEP grades. These needn't be described by subject, just a number of A*/A/... grades if in the A-level system, D1/D2... for Pre-U, a numerical total figure such as '43' for IB etc.*

The requested information is attached. The STEP and A Level grades have not been broken down by College to prevent the risk of any individual being identified given the very small numbers involved. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because its release would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference

number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Notes	Apply Year	Figures are grouped by UCAS application year. The 2019 application year ran from applications opening in September 2018 to Confirmation in August 2019.
	Application Identifier	Applicant information has been anonymized, with each applicant assigned a dummy application identifier.
	Post Qualified	Applicants are flagged as post-qualified when they have completed three or more A Levels and have no outstanding A Levels to complete. A Level data is provided by the relevant UK ABL. Where A Level data is missing, this due to non-UK A Levels being taken by the applicant.
	Qualifications	Qualification information is declared by applicants through their UCAS application, and is not verified at the point of application.
