Dear Mr Croft,

Freedom of Information Request - FOI201710031000

I am writing in response to your email received by Post Office Limited ("**Post Office**") on 03 October 2017, which I am dealing with under the terms of the Freedom of Information Act 2000 ("**FOIA**").

In your email, you have requested the following information:

- 1) The position of 'Post Master is a public office'?*
- 2) Holders of public office are identifiable to the public?*

Post Office considers that your questions above do not contain a request for recorded information. Although your request can be in the form of a question, rather than a request for specific documents, the FOIA does not oblige an authority to answer a question if this would mean creating new information or giving an opinion or judgment that is not already recorded, which applies to the question you have raised.

- 3) The name of the Post at Master: 16-22 Kings walk, Maidenhead, Berkshire SL6*

I can confirm that Post Office does not hold the information you have requested. A Postmaster is not in place at the branch owing to it being a franchise with WH Smith High Street Limited.

I am sorry I could not provide you with all the information you requested on this occasion, however if you are dissatisfied with the handling of this response, you do have a right to request an internal review. You can do this by writing to the address below stating your reasons for your internal review request.
