Dear R Aron,

Your request was received on 19 October 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to know the breakdown of postgraduate First and Second preferences for admission to graduate programs, i.e. for each college what percent of the total students indicated it as their first preference, and what percent of total students indicated it as a second preference. Furthermore, for each college, I would like to know what percent of students who indicated it as First or Second preference were admitted to it. This includes First and Second preference, essentially percent of students in a given college who indicated that they would prefer to be allocated there.

The requested information is attached.
