Dear Mr Bailey

Thank you for your email dated 19/07/2016.

Your request posed a series of questions and for ease of reference I have separated each question and provided the Trust's response immediately below.

Please provide me with an up to date Organisational Structure chart for CAMHS including all manager NAMES, contact details and job titles.

Earlier this year our CAMHS became part of our overall Mental Health service which includes Forward Thinking Birmingham and our inpatient units for young people. We have attached the overall organisational structure of the Forward Thinking Birmingham clinical group and a more detailed management structure for Forward Thinking Birmingham. In addition attached is a structure for the Health in Minds team which falls within our Diagnostics and Therapies Clinical Group.

The person with overall responsibility for CAMHS is:

Karen Kelly
Associate Service Director
Tel: 0121 333 9999
Email: Karen.kelly@bch.nhs.uk

We have not provided individual contact details for all of the managers, please contact switchboard via 0121 333 999 to contact them.

Please let me know if you require more details or further clarification.

If you are unhappy with the Trust's response you can appeal to the Trust by writing to:

Mr David Melbourne
Chief Finance Officer and Deputy Chief Executive
Ladywood House
Birmingham Children's Hospital NHS Foundation Trust
Steelhouse Lane
Birmingham
B4 6NH

If you then remain dissatisfied, you have the right under section 50 of the Freedom of Information Act 2000 to apply to the Information Commissioner to seek resolution to the matter. Further details can be found on their website: www.informationcommissioner.gov.uk/
Please quote your FOI number on any correspondence you have with us.

Yours sincerely
