Incoming request

Prime Minister Theresa May made a speech in Derby on 19.02.18 that included reference to a review of student loans.

The speech used the example of a Derby law student to reinforce a message on educational opportunity. It came shortly after a response from the EU Parliament to a petition on the legality of UK student loans submitted by a law student at the University of Derby.

Please provide sight of records pertaining to the arrangements made for the Prime Minister's visit to include:

1. Confirmation that the original intended location of the Prime Minister's visit was the University of Derby's Law School,
2. The reasons why the location was changed to Derby College.
