Definitions

MFD Printers - A Multi-Function Device (MFD) is a machine that can print, copy and scan. These devices have faster print speeds and allow additional functionality such as scan to email. Secure print and follow-me printing are two of the key features of the new devices.

If you are unhappy with the way the Trust has handled your request, you may ask for an internal review by contacting: Phil Woodford, Director of Corporate Affairs, Westmorland General Hospital, Burton Road, Kendal LA9 7RG.

For more information on our sites and services, including our latest Annual Report, please visit our website: <http://www.uhmb.nhs.uk>

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

I hope this information has answered your question. If you require any further clarification or assistance regarding this request, please do not hesitate to contact the Freedom of Information office on 01539 715511. Please remember to quote the reference number above in any future communications.

Kind regards

PHIL WOODFORD
DIRECTOR OF CORPORATE AFFAIRS
