Dear Mr McNamara,

Freedom of Information Act Request

Thank you for your request under the Freedom of Information Act.

In response to your request – **Professional Registration**

Croydon PCT has been serviced by the HR team at SW London Cluster since 1st July 2011.

There are very few clinicians at the PCT (since Community Services was externalised to Mayday Hospital (now CUH) from 1st August 2010). The PCT is not involved in checking the professional registrations of staff at their local acute hospitals which is the responsibility of the HR team at the hospital so please contact them directly.

The HR team at Cluster ran reports off ESR to check professional registrations had not lapsed. Since 2011 there has been no lapse of professional registration in Croydon PCT which is not surprising as there are so few clinical staff.

Prior to 1st July 2011, Croydon PCT had a Service Level Agreement with the HR team who transferred to Mayday and you would need to check directly with them.
